

This map of Hunan Province illustrates the distribution of flight and control zones. The legend in the bottom right corner identifies two types of zones: '适飞空域' (Suitable Flight Airspace), represented by green shaded areas, and '管制空域' (Controlled Airspace), represented by orange shaded areas. The map includes major cities such as Zhangjiajie, Changde, Yueyang, Changsha, Xiangtan, Zhuzhou, Hengyang, Shaoxing, Yongzhou, and Huaihua, along with their respective administrative districts and counties. A north arrow is located in the top left corner.
